INTRODUCTION

Our Club was formed in 1969 to cater for those owners of purebred dogs who were interested in trailing their dogs to Obedience Trial standard and has been very successful in this regard. On being granted affiliation with the Victorian Canine Association in 1979, all breeds whether registered or not have been accepted.

CLUB RULES

- **All dogs should be kept on leash at all times, excepted when given permission to work off leash in class.**
- Handlers wishing to leave their dogs tied up on the Club grounds should only do so if their dogs are safe with people especially children. No dog may be tied up where it can reach another dog.
- Dogs in season should not come down to training for four weeks. This does not mean you should stop the training of your dog.
- Dogs must be immunised against distemper and canine hepatitis before coming to classes. This should also be renewed yearly.
- A dog suffering from any illness or skin problems should not be brought to classes until a Vet has pronounced the condition not contagious.
- Handler must remove their dogs excreta from the training area – implements are provided.
- Physical punishment of dogs is not permitted in training classes.
- Instructors have authority over their classes and may ask a member to take their dog out of class if it is disruptive.
- Instructors are not permitted to handle and train a member's dog in class.
- **While at the grounds before and after classes please control your dogs.**

TRAINING TIPS

Training is all about patience and reparation and until your dog understand what you want them to do. Keep reinforce good behavior in a positive way each time your dog does what you have commanded the dog to do.

Remember you are the TOP DOG you do not have to be gruel to your dog either. You just need to be more confident in your training so it will flow down the lead to you best friend always make sure your dog does the exercise the Instructor has asked you to perform before you start of heeling again i.e.: sit, stand, drop also make your training fun for the dog.

Never give up training your do, you can do it.

Vaccinations

Don't forget to have your dog vaccinated when the time comes around, to safe guard your dog while out and about, it is one of the requirements of the dog school so as soon as you have re-vaccinated your dog please show the vaccination card to your instructor.

To all Dog Owners

Please don't forget to carry something to pick up the poo when walking your dog. This is required by law. You are responsible for what your dog leaves behind and fines can be hefty if you are caught not cleaning up the mess.

Notice to people that visit our house

1. The dog lives here. You don't
2. If you don't want the dog to be near you, stay off the furniture.
3. Yes, he has some disgusting habits. So do you. What's your point?
4. Of course he smells like a dog.
5. It's his nature to try to sniff your crotch, Please feel free to sniff his.
6. I like him a lot better than I like most people.
7. To you he's a dog. To me he's an adopted son who is shorter, hairy, walks on all fours and doesn't speak clearly. I have no problem with any of these things
8. Dogs are better than kids. They eat less, don't ask for money all the time, are easier to train, usually come when called, never drive your car, don't hang out with drug-using friends, don't smoke or drink, don't worry about whether they have the latest fashions, don't wear your clothes, don't need a gazillion dollars for university fee, and if they get pregnant you can sell the offspring.
