INTRODUCTION

Our Club was formed in 1969 to cater for those owners of purebred dogs who were interested in trailing their dogs to Obedience Trial standard and has been very successful in this regard. On being granted affiliation with the Victorian Canine Association in 1979, all breeds whether registered or not have been accepted.

CLUB RULES

- **All dogs should be kept on leash at all times, excepted when given permission to work off leash in class.**
- Handlers wishing to leave their dogs tied up on the Club grounds should only do so if their dogs are safe with people especially children. No dog may be tied up where it can reach another dog.
- Dogs in season should not come down to training for four weeks. This does not mean you should stop the training of your dog.
- Dogs must be immunised against distemper and canine hepatitis before coming to classes. This should also be renewed yearly.
- A dog suffering from any illness or skin problems should not be brought to classes until a Vet has pronounced the condition not contagious.
- Handler must remove their dogs excreta from the training area – implements are provided.
- Physical punishment of dogs is not permitted in training classes.
- Instructors have authority over their classes and may ask a member to take their dog out of class if it is disruptive.
- Instructors are not permitted to handle and train a member's dog in class.
- **While at the grounds before and after classes please control your dogs.**

PRESIDENTS REPORT

Hello Members

As this is my first report for the year I would like to welcome all members New and Old to the Club and wish you all the best for the year if you have any questions about your dog or training Please ask your Instructor or myself we are here to try and help you. As you can see our pavilion is under way so at the moment we have to put with a little inconvenience but in the end it will be a big improvement on what we have now. I would like to let you know that there will be no training on Easter Sunday the 12th Of April, a big thank you to our committee members for coming aboard and helping out for the coming year.

Happy Training
Brian Arter

Training Tip

Training should be part of your dog's daily life for the rest of its life, like teaching him / her to sit when told, waiting for the food bowl to be put down then told to eat, to stop jumping up on everyone that comes into your home. Walking down the street nicely not pulling nor jumping all over people and other dogs.

Do not forget to do a couple of minutes of training each day. When you are training the food method just make sure you give the dog the reward straight away for the behavior you want, not the dog dictating to you. Obedience is all about dog attention if you have that, then the training will be easy so make all the training fun for you and your dog.

Never give up training your dog, be patient you can do it.

Vaccinations

Don't forget to have your dog vaccinated when the time comes around, to safe guard your dog while out and about, it is one of the requirements of the dog school so as soon as you have re-vaccinated your dog please show the vaccination card to your instructor.

To all Dog Owners

Please don't forget to carry something to pick up the poo when walking your dog. This is required by law. You are responsible for what your dog leaves behind and fines can be hefty if you are caught not cleaning up the mess.
