## INTRODUCTION

Our Club was formed in 1969 to cater for those owners of purebred dogs who were interested in trailing their dogs to Obedience Trial standard and has been very successful in this regard. On being granted affiliation with the Victorian Canine Association in 1979, all breeds whether registered or not have been accepted.

## CLUB RULES

- **All dogs should be kept on leash at all times, excepted when given permission to work off leash in class.**
- Handlers wishing to leave their dogs tied up on the Club grounds should only do so if their dogs are safe with people especially children. No dog may be tied up where it can reach another dog.
- Dogs in season should not come down to training for four weeks. This does not mean you should stop the training of your dog.
- Dogs must be immunised against distemper and canine hepatitis before coming to classes. This should also be renewed yearly.
- A dog suffering from any illness or skin problems should not be brought to classes until a Vet has pronounced the condition not contagious.
- Handler must remove their dog's excreta from the training area – implements are provided.
- Physical punishment of dogs is not permitted in training classes.
- Instructors have authority over their classes and may ask a member to take their dog out of class if it is disruptive.
- Instructors are not permitted to handle and train a member's dog in class.

- **While at the grounds before and after classes please control your dogs.**

## PRESIDENTS REPORT

Hello Members

Well here we are halfway through the year the weather is getting colder and the ground wetter so please take this into account when coming to training and wear shoes or boots suitable for winter conditions. I would like to welcome all new members and renewals, if you have any questions please ask.

The fun day and sausage sizzle held on Sunday 30<sup>th</sup> March was a great success and the dogs and handlers had a great time. A big thank you to the Committee members also John our chef for putting it all together on the day.

Congratulations to Sue & Waldo, Brier & Bear, Kathy & Honey, Yvonne & Daisy, Margo & Darby, Sue Keane & Kaala all for gaining Rally O & Obedience Titles & passes so far this year. I took my new dog - Flick to the Labrador Obedience Trial and she gained a pass in Rally O but she needs more training.

Congratulations to Andrea and Ronan for getting tracking passes in Tests 1 & 2, Yuki & Aska, Sue Keane & Caddie also passing their tracking tests.

Our next activity is our Open Tracking trial on Saturday 28<sup>th</sup> Sunday 29<sup>th</sup> Monday 30<sup>th</sup> of June. If you would like to spend a day at Coldstream; you are most welcome and if you would like to know more about tracking (its track and search like the police dogs do), or would like to see the dogs tracking please ask Andrea or myself.

There will be **no training on Sunday the 29<sup>th</sup>** of June due to our Tracking Trial in Coldstream, back to normal training the following Sunday 6<sup>th</sup> July.

Happy Training  
Brian Arter

## TRAINING NEWS AND TIPS

All articles etc, for Newsletter to be given to Andrea Sciberras

### **Training Tip**

When using food to train your dog don't tease the dog by withholding the food too long, when you're dog does the right behavior, you want then give the food straight away, and in saying that do not give the treats willy nilly.

Teach your dog to sit and wait before letting it out the front door and out of the car. Do this on lead. Do not make your dog wait too long before you let the dog out. Build up to longer waiting times.

Taking your dog to the park, don't let it of lead if it won't come back, use a longer lead so you have control when dog takes off after another dog. That way you always are in the position to direct the dog to the right behavior, which is come when called. If the dog is off lead you can't do that.

Don't forget to do some training during the week not just on Sunday. Don't bore your dog with too many commands or sentences like fetch the ball. Just say fetch.

Remember training is all about fun for you and the dog, repartition and patience.

**Never give up training your dog, you can do it.**

### **Vaccinations**

Don't forget to have your dog vaccinated when the time comes around, to safe guard your dog while out and about, it is one of the requirements of the dog school so as soon as you have re-vaccinated your dog please show the vaccination card to your instructor.

### **To all Dog Owners**

Please don't forget to carry something to pick up the poo when walking your dog. This is required by law. You are responsible for what your dog leaves behind and fines can be hefty if you are caught not cleaning up the mess.
